Education

Indian Institute of Technology (Indian School of Mines), Dhanbad
Bachelor of Technology in Mineral and Metallurgical Engineering (GPA: 9.10 / 10)

Expected May 2028
Dhanbad, Jharkhand

Experience

Sherlock studio

Jul 2025 – Sept 2025

Product Management Intern

Remote

- **Benchmarked 10+ horror RPGs** and analyzed player expectations to identify product gaps, strengthening game differentiation through **3 roadmap feature recommendations**
- Evaluated pricing across **20+ comparable Steam titles** to define an India-focused launch strategy, enabling data-backed pricing decisions for market entry
- Coordinated daily stand-ups across a **10-member cross functional team** of designers, developers, and sound artists to improve sprint alignment, ensuring timely execution of development milestones.

Projects

Zepto | *The Product Sprints - Inter IIT Product Competition*

- Diagnosed a **10% drop** in Search-to-Add-to-Cart conversion through funnel and inventory analysis, identifying revenue **leakage of 3.6–3.8 Cr/day** and **1.8–1.9 lakh lost orders/day**.
- **Proposed ZeptoReserve**, urgency cues, and fairness-driven stock allocation to reduce conversion drop-offs and recover lost demand, **projecting 72–90 Cr monthly revenue** recovery.

CareerPath AI | *Product Management Club IIT(ISM) Dhanbad Competition*

- Conducted market sizing, user research, and competitive analysis to validate an AI-powered career guidance platform, identifying a **\$548B+ market opportunity** across **3 core user segments**.
- Designed product strategy, GTM roadmap, and monetization model to drive acquisition and retention, **targeting 50,000 users and \$500K MRR at scale**.

Technical Skills

- **Languages:** C, SQL, Python
- **Technologies:** Antigravity, Canva, Excel, Figma, Jira, Mixpanel, Notion, PowerBI, Slack, Stitch, Tableau, Whimsical.
- **Skills:** Product Discovery, Wireframing and Prototyping, Agile & Scrum Methodologies, Product Design, Data Analytics, Competitive Benchmarking, Market Research, Roadmap Development, Product Requirements Document (PRD) Writing, Go-To-Market (GTM) Strategy, Product Lifecycle Management

Achievements

- **Secured 3rd position out of 60+ submissions across 5 IITs** in a national product case competition organized by The Product Sprints.
- **Secured Top 4 rank among 1300+ participants in ProdBltz-3**, a national-level product management competition hosted by IIT (ISM) Dhanbad.
